

Confined Space Rescue Refresher (8 hours)

Pre-Requisites: Age 18 and up, previous confined space rescue operations (or higher level) training

PA DOH EMS Con-Ed: 6.5 hrs (1.0 clinical)

Maximum Students: 12

This class reviews the fundamentals of confined space rescue principles and skills. Students will participate in a brief discussion of the applicable OSHA regulations, NFPA standards, and confined space hazards. After the discussion, students will spend the rest of the course performing hands-on confined space rescue skills. This class can be tailored to your agency's needs and help ensure confined space rescue knowledge and skills stay current.
