

Water Rescue Refresher (3 hours)

Pre-Requisites: Age 18 and up, previous water rescue operations (or higher level) training

PA DOH EMS Con-Ed: 2.5 hrs (0.5 clinical)

Maximum Students: 30

The water rescue refresher program is designed for students that have previous water rescue operations training. The class reviews fundamental water rescue knowledge and skills such as water hazards, water dynamics, dry suits, personal flotation devices, throw bags, and other shore-based rescue techniques. This class can include a pool session that will allow the Authority Having Jurisdiction to document annual swim competency by the students.
