

Hazardous Materials Operations Refresher (6 hours)

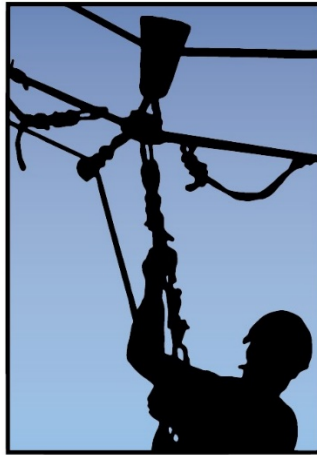

Pre-Requisites: Age 18 and up, hazardous materials operations (or higher level) training

PA DOH EMS Con-Ed: 6.0 hrs (1.0 clinical)

Maximum Students: 30

This class is based on NFPA 472 Standard for Competence of Responders to Hazardous Materials/Weapons of Mass Destruction Incidents, and is designed to enable agencies to comply with OSHA and EPA regulations that require annual hazardous materials refresher training. Course content includes mission-specific competencies for performing air monitoring. Pennsylvania State Fire Academy certificates for HazMat Operations Refresher (HMOR) can be provided if requested by the host agency in advance. The program also meets hazardous materials training pre-requisites for ProBoard certification exams based on NFPA 1006.
