

Advanced First Aid (16 hours)

Pre-Requisites: Age 18 and up

Certification: ASHI Advanced First Aid certification (2 years)

Maximum Students: 24

Advanced First Aid certification is designed for the first responder who needs more first aid training than Basic First Aid, but not to the level of Emergency Medical Response. Topics include safety considerations, lifting and moving, patient assessment, and caring for common medical conditions and traumatic injuries. BLS for the Professional Rescuer (CPR/AED) certification is included in the course.
